- 20,000 Fair Attendees, 4,000 Facebook Followers, 2,800 Instagram Followers, 30+ vendors, 40+ sponsors
- 12 Community Partners, over \$5000 donated back to our community annually

Once again, Milton will be celebrating its 169th Fall Fair on Sept. 27, 28, 29, 2024. With roots reaching back to 1853, the Halton Agricultural Society is a non-profit organization committed to promoting agricultural heritage, education and family-oriented entertainment to the community. Fair traditions such as our livestock competitions, Homecraft exhibits, and agricultural displays honour our appreciation of the heritage surrounding our Society. Fun-filled entertainment and great food remain core pieces of the fair.

Milton has become a very diverse ethnic community and it is our goal to maintain our heritage and showcase rural life and the agricultural sector that brings us our daily food. Many of our attendees have never had the opportunity to visit a farm or see rural life first hand.

Without the support of our many sponsors and donors, the fair would not be the success that it has become. In a time when requests for support are numerous, we are incredibly thankful for your consideration to support our non-profit, volunteer run organization.

Your contribution not only allows us to offer our regular shows and displays, but will also bring in new events and improvements to keep the Milton Fall Fair fun and exciting.

We recognize that sponsors are major contributors to the success and future of our Fair, and your support is always greatly appreciated. Your involvement in this program will certainly be recognized and you will have the pleasure of knowing that you have helped to continue a long standing tradition in this community. All of our sponsors are acknowledged at the fair, as well as in our Fair book and brochures, social media accounts, and website.

Sponsorship levels are designed to get as much recognition and support for your business, through your support of the Halton Agricultural Society. These levels apply to both monetary and in-kind donations.
