- 20,000 Fair Attendees, 4,000 Facebook Followers, 2,800 Instagram Followers, 30+ vendors, 40+ sponsors
- 12 Community Partners, over \$5000 donated back to our community annually

Milton is once again preparing to celebrate its 171st Fall Fair on September 25, 26, and 27, 2026. Since 1853, the Halton Agricultural Society has proudly served as a non-profit organization dedicated to promoting agricultural heritage, education, and family-friendly entertainment within our community.

Longstanding traditions—such as livestock competitions, Homecraft exhibits, and agricultural displays—continue to highlight and honour our rich rural roots. At the same time, exciting entertainment and delicious food remain at the heart of the fair experience for visitors of all ages.

Our mission is to preserve this heritage while showcasing the importance of agriculture and rural life. For many attendees, the fair offers a rare opportunity to experience these traditions firsthand and gain a deeper appreciation for the sector that provides the food we enjoy every day.

The continued success of the Milton Fall Fair would not be possible without the generous support of our sponsors and donors. We understand there are many worthy causes seeking your support, and we sincerely appreciate your consideration of our volunteer-run organization. Your contribution helps us sustain cherished traditions while also introducing new attractions and enhancements to keep the fair vibrant and engaging year after year.

We are truly grateful for the vital role our sponsors play in the future of the fair. In recognition of your support, your organization will be acknowledged throughout the event, in our Fair book and promotional

materials, and across our website and social media platforms. Most importantly, your contribution helps ensure the continuation of a long-standing community tradition. Thank you for your ongoing support.

Sponsorship levels are designed to get as much recognition and support for your business, through your support of the Halton Agricultural Society. These levels apply to both monetary and in-kind donations.
